

2015 – 2016 Fall Summit

Student Advisory Board members bring a much needed student perspective on state education policy and Montana public schools.

Before the Summit, ask 5 peers to answer these two questions. Add their comments in the comment section. *Please plan to bring this sheet with you to the Summit.*

How is student voice encouraged in your school?

1.
2.
3.
4.
5.

How can schools, parents and the community encourage and support students being involved in the overall effectiveness of the school and community?

1.
2.
3.
4.
